

# Parenting shouldn't mean choosing between your career and breastfeeding.

**Meet Milk Stork.** Your company benefit for stress-free business travel + breastfeeding.

## WHY MILK STORK?

Need to travel for work and feed your baby? Milk Stork ensures your breast milk gets home safely, so you can keep breastfeeding without compromise.

**With Milk Stork, you can:**

- **Ship breast milk overnight** within the U.S. and internationally.
- **Travel with confidence** with TSA-approved coolers designed specifically for breast milk storage.
- **Save time and hassle.** We've got the logistics covered. No more pumping and dumping.

**\*Exclusive to Otsuka employees\***

- **Get better sleep from day one** with the **SNOO Smart Sleeper Bassinet**, provided via Milk Stork.

## HOW IT WORKS
